Page 34, paragraph 37 (e)

The paragraph *should read*

(e) *Cyprus*. UNFICYP uses its best efforts to prevent the recurrence of fighting and to contribute to the return of normal conditions; it also supports the Secretary-General's mission of good offices to bring about a comprehensive settlement. Conditions in Cyprus require constant vigilance and frequent intercession with the two sides. During the last two years, the situation has been relatively tense, and UNFICYP is expected to remain an active mission in the foreseeable future;
